---

### LEADERSHIP & SOCIAL IMPACT

#### Founder & Lead Organizer | RedSaysGo Initiative | *Ongoing since 2022*

- Founded a grassroots initiative to destigmatize menstrual health and address PCOS/PCOD awareness after personal diagnosis
- Organized 100+ free sonography screenings for underprivileged women and girls in Gogunda village, Udaipur
- Conducted awareness programs in schools, villages, and underserved urban areas across Mumbai and Rajasthan
- Led sanitary kit donation drives and awareness sessions in Mumbai slums
- Delivered expert-led sessions on symptom recognition and treatment, addressing cultural taboos and economic barriers
- Mobilized RedSaysGo volunteers and local teens to assist a small business with Diwali gift-packaging, expanding labour capacity and enabling festive earnings for the workers during October 2025

#### House Captain | Shishuvan School | 2022-2024

- Led the house team in inter-house cultural competitions; organized and managed event budgets to ensure successful execution
- Mentored junior candidates during school council elections, guiding campaign pitches; strengthened public speaking, leadership, and team management skills

## EXPERIENCE

### Medical Volunteer | Jaipur Foot

[May 2024 & May 2025]

- Trained under doctors and physiotherapists in prosthetic fitting and patient care protocols
- Assisted patients with prosthetic alignment, fitting procedures, and mobility training
- Gained hands-on exposure to medical rehabilitation practices in a high-impact medical environment

### Observership | Surya Hospital | Summer | Under Dr. Jui Mandke, Paediatric Surgeon

[June 2025]

- Completed two weeks observing paediatric surgery and congenital anomaly treatment
- Learned medical ethics in paediatric care setting
- Observed multidisciplinary collaboration among paediatric anaesthesiologists, neonatologists, ICU/ER paediatricians, nutritionists, and physiotherapists

### Observership | Mumbai Knee Foot Ankle Clinic (MKFAC) | Under Dr. Pradeep Monoot

[April'24 & Aug'25]

- Assisted Dr. Pradeep Monoot at the Diabetic Foot awareness camp at Khargar & Nerul
  - Documented & analysed 100+ reports based on diagnosis and scans
-
